Jiya Arora - 1.1.2 Interview Questionnaire
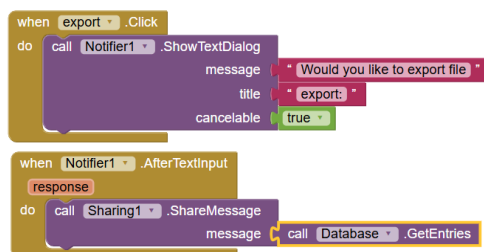

Questions asked in the program:

1.What is the best advice you have ever received and how have you applied it to your daily life?

2.What is an interest of yours that you are able to combine with your professional skills?

3.Is there a person in your life that has shaped your interest, goals, or ways of life?

4.How do you stay motivated in your lifestyle?

5.What is a turning point in our life that has led you to where you are today?

6.How do you define success for yourself and others around you?

7.What experience has taught you a valuable lesson, and what was it that was taught?

8.What is one of your biggest weaknesses or fears?

9.Whats a skill or talent that you are very proud of? What has it taught you?

10.What do you value most in the people that you spend time with?

Reasoning behind the need to obtain the data:

The purpose of the interview program to ask personal experience and interest inspired questions is to gain a deeper understanding of the user's lifestyle and their personal values and beliefs, as well as clarifying their motivations.

Features added to program:

- Date picker
- Saves responses
- Saves responses locally on a tiny data database, user can access with the list viewer feature
- Cycles questions
- Utilizes text speech recognition
- resets/clears data and list viewer
  → notifier used to further allow for a data reset, when consent to clear saved responses
- Home page
- Export data from database *is not seen in the video, shown in a screenshot below*
